Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 Suburban District to A-2 Suburban District & MHO Manufactured Housing Overlay. This site is located on the west side of LA Highway 25, north of M.P. Planche Road, south of Lake Ramsey Road. The 2025 future land use plan calls for the area to be developed with commercial uses. The site is currently developed with some existing residences. The request will allow the placement of an additional manufactured home on the site. Staff does not have any objection to the request.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO Manufactured Housing Overlay designation be approved.
