GENERAL INFORMATION

ACCESS ROAD INFORMATION

Type: Parish **Road Surface:** 2 lane asphalt **Condition:** Good

LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Commercial	A-1A Suburban District
South	Undeveloped	A-1A Suburban District
East	Residential	A-1A Suburban District
West	Undeveloped	A-1A Suburban District

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1A Suburban District to A-3 Suburban District. This site is located on the north side of Cusimano Road, west of 24th Street, south of Pichon Road, being 27073 Cusimano Road, Lacombe. The 2025 future land use plan calls for the area to be developed with residential uses. Staff does not see any compelling reason to recommend approval considering that the site is surrounded by undeveloped and single family residential parcels of land zoned A-1Suburban District.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-3 Suburban District designation be denied.
