GENERAL INFORMATION

PETITIONER: Scott Chiasson

OWNER: Scott Chiasson

REQUESTED CHANGE: From A-2 Suburban District to HC-2 Highway Commercial District

LOCATION: Parcel located on the south side of LA Highway 22, east of Mitcham Street, west of Indian Trace Blvd. ; S18, T7S, R10E; Ward 1, District 4

SIZE: 2 acres

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

Table with 3 columns: Direction, Surrounding Use, Surrounding Zone. Rows include North, South, East, and West directions with corresponding land use and zoning details.

EXISTING LAND USE:

Existing development: No Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 Suburban District to HC-2 Highway Commercial District. This site is located on the south side of LA Highway 22, east of Mitcham Street, west of Indian Trace Blvd. The 2025 future land use plan calls for the area to be developed with residential uses. Staff does not see any compelling reason to recommend approval considering that the site is surrounded by residential uses and undeveloped land on the south, east and west sides.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2 Highway Commercial District designation be denied.
