**STAFF COMMENTS:**

The petitioner is requesting to change the zoning classification from HC-2 Highway Commercial District to HC-3 Highway Commercial District. The site is located on the southwest corner of Behrman Street and Garrett Road, east of I-10, and north of LA Highway 433; being 400 Garrett Road, Slidell. The 2025 Future Land Use Plan designates the site to be developed with commercial uses of varying degrees and intensity. The purpose of the existing HC-2 designation is to provide for the location of moderately scaled, more intense retail, office, and service uses. A change in use from HC-2 to HC-3 will allow for larger-scale, heavy commercial retail, office and service uses.

The development site as a whole functions as a multi-occupancy site and maintains several uses that are compatible with both the HC-2 and HC-3 zoning classification. The site is adjacent to commercial uses to the north, south and west sides and I-10 to the east. As such, staff does not have an objection to the requested HC-3 Highway Commercial zoning designation.

This request is being considered alongside a concurrent application (2020-1784-ZC) to rezone the adjacent northern lot.
