LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-1 Suburban District
South	Residential	A-1 Suburban District
East	Undeveloped	A-1 Suburban District
West	Residential	A-1 Suburban District

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Residential/ Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 Suburban District to A-2 Suburban District. This site is located on the south side of Adolphus Road, east of LA Highway 1129. The 2025 future land use plan calls for the area to be developed with agricultural and residential uses, while emphasizing the preservation of the rural character of the area.

Although the site is surrounded by properties zoned A-1 Suburban district, staff is not completely opposed to the zoning change, considering that the objective of the request is to allow for the creation of 2 parcels of land: one for the existing single family residence and one for the existing mobile home.

STAFF RECOMMENDATION

The staff recommends that the request for an A-2 Suburban District designation be denied.
