**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-3 Suburban District
South	Residential	A-2 Suburban & HC-2 Highway Commercial Districts
East	Tammany Trace	HC-2 Highway Commercial District
West	Undeveloped	HC-2 Highway Commercial District

**EXISTING LAND USE:**

**Existing development:** No                                      **Multi occupancy development:** Yes

**COMPREHENSIVE PLAN:**

**Residential Infill** – New residential uses developed on undeveloped tracts within existing residential districts that are compatible with, or improve upon, those existing uses. Such uses may be allowed a greater density of use, in exchange for public benefits that would be provided.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from HC-2 Highway Commercial District to A-4A Single-Family Residential District. This site is located on the south side of Hoffman Road, east of LA Highway 59, west of the Tammany Trace. The 2025 future land use plan calls for the area to be developed with residential uses that are compatible and at a similar or greater density than the existing surrounding uses.

Prior to the comprehensive rezoning the 27.14 acre site was zoned SA Suburban agricultural District. As part of the comprehensive rezoning, staff recommended that the area between Hwy 59 & the Tammany Trace, more particularly south of Hoffman Road to where the Tammany Trace crosses Hwy 59, be rezoned to HC-2. The recommendation was subsequently approved by the Council. In order to remain consistent with its original recommendation, staff feels that the commercial zoning should be preserved in the area, to allow for the development of future retail, office and service uses.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an A-4A Single-Family Residential District designation be denied.
