**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped & Residential	A-4 Single-Family Residential
South	Undeveloped & Tammany Trace	A-4 Single-Family Residential
East	Office Warehouse	
West	Undeveloped	A-4 Single-Family Residential

**EXISTING LAND USE:**

**Existing development:** Yes

**Multi occupancy development:**

**COMPREHENSIVE PLAN:**

**Commercial Infill** – New commercial uses developed on undeveloped tracts within existing commercial districts that are compatible with, or improve upon, those existing uses. Such uses may be allowed a greater density of use, in exchange for public benefits that would be provided.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from A-4 Single-Family Residential District to I-2 Industrial District. This site is located on the north side of South Street, east of Hickory Street, being lot 6, Slidell Manor Subdivision, 411 South Street, Slidell. The 2025 future land use plan calls for the site to be developed with commercial uses compatible with the surrounding area. Staff is not completely opposed to the requested zoning change, considering that the site is currently developed with an office warehouse and is abutting I-3 Heavy Industrial zoning on the west side. However, staff feels that an I-1 Industrial zoning district would be more appropriate for the site, considering the proximity of existing residences, mainly along Hickory Street.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an I-2 Industrial District designation be denied.
