**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped & Tchefuncte River	A-6 Multi Family Residential District
South	Residential & Marina	A-6 Multi Family Residential District
East	Tchefuncte River	
West	Undeveloped	A-6 Multi Family Residential District

**EXISTING LAND USE:**

**Existing development:** No

**Multi occupancy development:** Yes

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from CB-1 Community Based Facilities District, A-2 Suburban District to A-4 Single-Family Residential District. This site is located at the end of Marina Blvd, north of Mako Nako Drive, being parcels G-1A & K. The 2025 future land use plan calls for the area to be developed with residential uses. Staff does not see any compelling reason to increase the density of the site.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an A-4 Single-Family Residential District designation be denied.
