REQUESTED CHANGE: From A-1 Suburban District to PUD Planned Unit Development Overlay

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped & Residential	PUD Planned Unit Development Overlay
South	Undeveloped	A-1 Suburban District
East	Undeveloped	A-1 Suburban District
West	Guste Island Utilities	A-1 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, *e.g.*) uses, as well as the supporting infrastructure and public services they will require (*See "Small Area Plans," below*). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Single Family Residential – Conservation - These planned districts would include clustered single family residential uses, at a density – within the overall tract – which is similar to that of adjoining residential uses, and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure. Such individual Planned Residential – Conservation developments should aim to achieve contiguity among adjoining conservation areas in adjacent developments.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 Suburban District to PUD Planned Unit Development Overlay. This site is located on the east side of Guste Island Road, south of LA Highway 22. The 2025 future land use plan calls for the area to be developed as a planned district with residential uses and conservation areas. The zoning change is being requested in order to add 20.3 acres to the residential PUD site, to compensate for the 20.3 acres of greenspace lost on the west side of Guste Island Road, for the expansion of the Guste Island Utility facility site (2018-1169-ZC).

STAFF RECOMMENDATION:

The staff recommends that the request for a PUD Planned Unit Development Overlay designation be approved.
