**GENERAL INFORMATION**

**ACCESS ROAD INFORMATION**

Type: Parish

Road Surface: 2 lane asphalt

Condition: Good

**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-2 Suburban District
South	School	ED-1 Education District
East	Undeveloped	A-2 Suburban District
West	Residential	A-2 Suburban District

**EXISTING LAND USE:**

Existing development: No

Multi occupancy development: Yes

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from A-2 Suburban District to A-3 Suburban District. This site is located on the south side of Galatas Road, east of C.S. Owens Road, west of LA Highway 1077. The 2025 future land use plan calls for the area to be developed with residential uses at a density similar to the surrounding area. Staff feels that there is no compelling reason to recommend approval considering that the area is surrounded by A-2 Suburban District.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an A-3 Suburban District designation be denied.
