**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Duplex, Undeveloped & Pond	A-6 Multi Family Residential & A-3 Suburban Districts
South	Undeveloped, vacant & Church	A-1A Suburban District
East	Undeveloped & Church	NC-4 Neighborhood Institutional District
West	Vacant & Electrical Substation	NC-4 Neighborhood Institutional District

**EXISTING LAND USE:**

**Existing development:** No

**Multi occupancy development:** Yes

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning from NC-4 Neighborhood Institutional District to A-5 Two Family Residential District. This site is located on the north side of Stafford Road, east of LA Highway 437, being lot 8A. The 2025 future land use plan calls for the area to be developed with residential uses. Although, the site is abutting NC-4 on the east and west sides, staff is in favor of the requested zoning change, considering that it meets the 2025 future land use plan and it will allow to bring a larger variety of residential dwellings to the area.

**STAFF RECOMMENDATION:**

The staff recommends that the request for an A-5 Two Family Residential District designation be approved.
