LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped and Commercial	I-1 Industrial
South	Institutional	ID – Institutional District; City of Covington
East	Undeveloped and Commercial	I-1 Industrial
West	Institutional	ID – Institutional District; City of Covington

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, e.g.) uses, as well as the supporting infrastructure and public services they will require (See “Small Area Plans,” below). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Mixed Use – Commercial – Conservation - These planned districts would include mixed uses, except for residential uses, – at varying densities - and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from PF-1 Public Facilities District and I-1 Industrial District to MD-3 Medical Facilities District. The site is located on the north side of Champagne Street, west of Columbia Street, being 1101 Champagne Street, Covington. The 2025 future land use plan calls for the site to be developed as a planned district with a mix of commercial uses at varying densities. Staff does not have any objection to the requested MD-3 Medical Facilities District considering that the objective is to bring the existing use into compliance with the appropriate zoning designation.

STAFF RECOMMENDATION:

The staff recommends that the request for the MD-3 Medical Facilities District be approved.
