RESOLUTION

A resolution giving preliminary approval to the issuance of not exceeding Six Hundred Thousand Dollars (\$600,000) of Limited Tax Certificates, Series 2012, of St. Tammany Fire Protection District No. 4, State of Louisiana; providing certain terms of said certificates; making application to the State Bond Commission for approval of said Certificates; and providing for other matters in connection therewith.

WHEREAS, Section 742.2 of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the "Act"), and other constitutional and statutory authority, authorizes districts to borrow money in anticipation of revenues to be realized from special taxes to be used only for the purposes for which the tax was voted; and

WHEREAS, St. Tammany Fire Protection District No. 4, State of Louisiana (the "Issuer") desires to incur debt and issue not exceeding Six Hundred Thousand Dollars (\$600,000) of its Limited Tax Certificates, Series 2012 (the "Certificates"), for the purpose of acquiring vehicles and equipment, as authorized in a proposition approved by the voters on May 1, 2010, and paying the costs of issuance thereof, said Certificates to be payable from the irrevocable pledge and dedication of the funds to be derived from the levy and collection of a 25 mills tax (such rate being subject to adjustment from time to time due to reassessment) to be levied each year through the year 2021 (the "Tax") within the boundaries of the Issuer, to mature over a period not exceeding ten (10) years, and to bear interest at a rate or rates not to exceed five per centum (5%) per annum; and

WHEREAS, the Issuer is not now a party to any contract pledging or dedicating the Tax; and

WHEREAS, the Issuer desires to make formal application to the State Bond Commission for approval of the Certificates, and further to employ special bond counsel in connection therewith;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners (the "Governing Authority") of St. Tammany Fire Protection District No. 4, State of Louisiana (the "Issuer"), acting as the governing authority thereof, that:

SECTION 1. Preliminary approval is given to the issuance of not exceeding \$600,000 aggregate principal amount of Limited Tax Certificates of the Issuer (the "Certificates"), to be issued for the purpose of acquiring vehicles and equipment, as authorized in a proposition approved by the voters on May 1, 2010, and paying the costs of issuance thereof, said Certificates, to be payable from

the irrevocable pledge and dedication of the funds to be derived from the levy and collection of a 25 mills tax (such rate being subject to adjustment from time to time due to reassessment) to be levied each year through the year 2021 (the "Tax") within the corporate boundaries of the Issuer. The Certificates shall bear interest at a rate or rates not to exceed five per centum (5%) per annum, to be determined by subsequent resolution of this Governing Authority at the time of the sale of the Certificates, and shall mature over a period not exceeding ten (10) years. The Certificates shall be issued in fully registered form, shall be sold to the purchasers thereof at a price of not less than par, plus accrued interest, and shall have such additional terms and provisions as may be determined by this Governing Authority.

SECTION 2. This Governing Authority finds and determines that a real necessity exists for the employment of special counsel in connection with the issuance of the Bonds, and accordingly, Foley & Judell, LLP, of New Orleans, Louisiana, as Bond Counsel, is hereby employed to do and perform work of a traditional legal nature as bond counsel with respect to the issuance and sale of said Bonds. Said Bond Counsel shall prepare and submit to this Governing Authority for adoption all of the proceedings incidental to the authorization, issuance, sale and delivery of such Bonds, shall counsel and advise this Governing Authority as to the issuance thereof and shall furnish their opinions covering the legality of the issuance of the Bonds. The fee of Bond Counsel for each series of said bonds shall be fixed at a sum not exceeding the fee allowed by the Attorney General's fee guidelines for such bond counsel work in connection with the issuance of each such series of revenue bonds and based on the amount of said bonds actually issued, sold, delivered and paid for, plus "out-of-pocket" expenses, said fees to be contingent upon the issuance, sale and delivery of said bonds. A certified copy of this resolution shall be submitted to the Attorney General of the State of Louisiana for his written approval of said employment and of the fees herein designated, and the Secretary is hereby

empowered and directed to issue vouchers in payment for the work herein provided for upon completion of the work herein specified and under the conditions herein enumerated.

SECTION 3. Application is hereby made to the State Bond Commission, Baton Rouge, Louisiana, for authority to issue, sell and deliver the Certificates.

By virtue of applicant/issuer's application for, acceptance and utilization of the benefits of the Louisiana State Bond Commission's approval(s) resolved and set forth herein, it resolves that it understands and agrees that such approval(s) are expressly conditioned upon, and it further resolves that it understands, agrees and binds itself, its successors and assigns to, full and continuing compliance with the "State Bond Commission Policy on Approval of Proposed Use of Swaps, or other forms of Derivative Products Hedges, Etc.", adopted by the Commission on May 20, 2006, as to the borrowing(s) and other matter(s) subject to the approval(s), including subsequent application and approval under said Policy of the implementation or use of any swap(s) or other product(s) or enhancement(s) covered thereby.

SECTION 4. Application is hereby made to the Parish Council of the Parish of St. Tammany, State of Louisiana, for consent and authority to issue, sell and deliver the Certificates, and a certified copy of this resolution shall be forwarded to said Parish Council on behalf of the Issuer, together with a letter requesting the prompt consideration and approval of this application.

SECTION 5. Prior to the delivery of the Certificates, the Issuer anticipates that it may pay a portion of the costs of the project from the General Fund. The project includes acquiring vehicles and equipment, and paying the costs of issuance thereof. Upon the issuance of the Certificates, the Issuer reasonably expects to reimburse any such expenditures of other available funds from a portion of the proceeds of the Certificates. Any such allocation of proceeds of the Certificates for reimbursement

will be with respect to capital expenditures (as defined in Reg. 1.150-1(b)) and will be made upon the delivery of the Certificates and not later than one year after the later of (i) the date such expenditure was paid or (ii) the date on which the project was placed in service.
