LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Educational and Residential	ED-1 Primary Education District and NC-1 Professional Office District
South	Commercial	NC-1 Professional Office District
East	Commercial	HC-2 Highway Commercial
West	Residential	A-5 Two-Family Residential District

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous “highway commercial” uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-1 Professional Office District to ED-1 Primary Education District. This site is located on the north side of Iberville Street, on the west side of 7th Street and on the east side of 8th Street, being 4431 Iberville Street, Mandeville. The 2025 future land use plan calls for the area to be developed with commercial outlets of varying densities. Staff does not have any objection to the request considering the site is abutting existing ED-1 Primary Education District to the north and west sides.

Note that the site is proposed to be converted into additional office and classroom space for the adjacent Montessori Christian Academy development site.

STAFF RECOMMENDATION:

Staff recommends the request for the ED-1 Primary Education District be approved.
