LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-3 Suburban District
South	Residential	A-3 Suburban District
East	Residential	A-3 Suburban District
West	Residential and Undeveloped	NC-2 Indoor Retail and Service District and HC-1 Highway Commercial District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 Suburban District to A-3 Suburban District and MHO Manufactured Housing Overlay. The site is located on the north side of Shady Lane, east of Carroll Road, being 36023 Shady Lane, Slidell. The 2025 future land use designates the site to be developed with residential uses that vary in site design and density including manufactured homes. Staff does not have any objection to the request for a MHO Manufactured Housing Overlay designation.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO Manufactured Housing Overlay designation be approved.
