LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-1A Suburban District
South	Undeveloped, Commercial	HC-2 Highway Commercial
East	Residential	A-1A Suburban District
West	Undeveloped	A-1A Suburban District

EXISTING LAND USE:

Existing development? Yes **Multi occupancy development?** No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1A (Suburban District) to PF-1 (Public Facilities District). The site is located at the northeast intersection of LA Highway 36 & LA Highway 21, being 19375 Hwy 36, Covington. The Comprehensive Plan calls for commercial uses in this area. There is an existing Fire Station at this location. PF-1 is the appropriate zoning class for this use and staff supports the request.

STAFF RECOMMENDATION:

The staff recommends that the request for a PF-1 (Public Facilities District) designation be approved.
