#### COMPREHENSIVE PLAN:

#### STAFF COMMENTS:

The petitioner is requesting to change the zoning from I-1 (Industrial District) to NC-6 (Public, Cultural and Recreational District). The site is located on the east side of Commercial Drive, north of Browns Village Road. The 2025 future land use plan calls for the area to be developed with industrial uses. The site is currently surrounded by office warehouses and outdoor storage yards. Staff does not see any compelling reason to recommend approval of the request, considering that the site is surrounded by industrial uses.

Note that the zoning change is being requested in order to operate an outdoor baseball practice facility on the site.

#### STAFF RECOMMENDATION:

The staff recommends that the request for a NC-6 (Public, Cultural and Recreational District) designation be denied.
