LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 (Suburban District)
South	Residential	A-2 (Suburban District)
East	Residential	A-2 (Suburban District)
West	Undeveloped	A-2 (Suburban District)

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to A-2 (Suburban District) & MHO (Manufactured Home Overlay). The site is located on the west side of Tulip Drive, south of Davis Landing Road, being 309 Tulip Drive, Slidell. The 2025 future land use plan calls for the site to be developed with residential uses including manufactured homes. Staff does not have any objections to the request, considering that there are some existing mobile home in the area.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Home Overlay) designation be approved.
