LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4A Single-Family Residential District
South	Undeveloped	HC-2 Highway Commercial District
East	Residential	A-4 Single-Family Residential District
West	Residential	NC-4 Neighborhood Institutional District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-2 Highway Commercial District to A-4A Single-Family Residential District. This site is located on the west side of Nellie Drive, north of US Highway 190, being lot 16, Square 4, Pine Shadows Subdivision. The 2525 future land use plan call for the lot to be developed with commercial and/or residential uses. Staff does not have any objection, considering that the objective of the request is to allow for the construction of a single family residence.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4A Single-Family Residential District designation be approved.
