LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

Table with 3 columns: Direction, Surrounding Use, Surrounding Zone. Rows include North (Commercial, HC-2 Highway Commercial District), South (Undeveloped, NC-2 Indoor Retail & Service District), East (Residential, A-3 Suburban District), and West (N. Causeway Blvd, N/A).

EXISTING LAND USE:

Existing development: No Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-2 Indoor Retail and Service District & HC-2 Highway Commercial District to HC-2 Highway Commercial District. This site is located at the southwest corner of Forest Drive & Park Drive. The 2025 future land use plan calls for the area to be developed with commercial uses. The objective of the request is to allow for the site to be entirely zoned HC-2 and developed with a Veterinary Clinic and separate building for a Commercial Kennel. Although the NC-2 zoning allows for Veterinary clinics with indoor Kennel, it does not allow for a separate building for commercial kennel. Staff does not have any objection to the request.

Note that the entire property was zoned C-2 Highway Commercial Zoning District before the Comprehensive Rezoning.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2 Highway Commercial District designation be approved.
