LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Commercial, Undeveloped & Residential	HC-1 & HC-2 Highway Commercial District & A-3 Suburban District
South	Undeveloped	A-1 Suburban District

West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Conservation - Areas designated for uses of land, water, flora and fauna that appear naturally. Such uses may include such activities as extraction or production for commerce; human enjoyment, hunting, fishing, or other recreation within natural landscapes; or preservation of natural systems. The concept of "conservation" includes a private landowner's understanding of responsibility to wisely manage that resource so that it remains in good condition for future generations (often simple referred to as "good stewardship"); this concept may also include the conservation of energy through efficient transportation options as well as through climate responsive building design, as well as the conservation of historic, scenic, or otherwise serviceable buildings and landscapes. Means to achieve conservation are myriad and include both private and public sector initiatives – such means will be considered in subsequent phases of the New Directions 2025 planning process.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from PUD Planned Unit Development Overlay to A-2 Suburban District. This site is located on the west side of Penns Chapel Road, south of LA Highway 22. The 2025 future land use plan designates the site as a conservation area, for the preservation of the natural landscape and natural systems of the site. The objective of the request is to establish the underlying zoning of a Planned Unit Development Overlay, proposed to be developed with residential uses.

Note that a zoning change request to Planned Unit Development Overlay has also been submitted for the same site (2017-681-ZC).

STAFF RECOMMENDATION:

The staff recommends that the request for an A-2 Suburban District designation be approved.
