LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	HC-3 (Highway Commercial District) & A-3 (Suburban District)
South	Undeveloped	HC-3 (Highway Commercial District) & A-3 (Suburban District)
East	Commercial	HC-3 (Highway Commercial District)
West	Residential	A-3 (Suburban District)

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-3 (Highway Commercial District) & A-3 (Suburban District) to NC-2 (Indoor Retail and Service District). The site is located at the southwest corner of Bravo Street & 4th Street, being Lots 1 & 2, Square 37, Alexiusville. The 2025 future land use plan calls for the site to be developed with residential uses. The front portion of the site, along Bravo Street, is zoned HC-3 Highway Commercial District, and currently developed with a single family residence. The rear portion of the site, along 4th & Charlie Street, is undeveloped and zoned A-3 Suburban District. Considering the location of the site, in close proximity to some intense retail and service uses, staff feels that the request is appropriate for the area. Moreover, the rezoning to NC-2 will create a transition between the abutting parcels zoned A-3 Suburban District and HC-3 Highway Commercial District.

STAFF RECOMMENDATION:

The staff recommends that the request for a NC-2 (Indoor Retail and Service District) designation be approved.
