LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-2 (Suburban District)
South	Undeveloped	A-2 (Suburban District)
East	Undeveloped	PUD (Planned Unit Development Overlay)
West	Undeveloped	A-2 (Suburban District)

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? Yes

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, *e.g.*) uses, as well as the supporting infrastructure and public services they will require (*See "Small Area Plans," below*). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Single Family Residential – Conservation - These planned districts would include clustered single family residential uses, at a density – within the overall tract – which is similar to that of adjoining residential uses, and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure. Such individual Planned Residential – Conservation developments should aim to achieve contiguity among adjoining conservation areas in adjacent developments

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to A-2 (Suburban District) & MHO (Manufactured Housing Overlay). The site is located at the end of Trepagnier Road, south of LA Highway 22, being 148 Trepagnier Road, Madisonville. The 2025 future land use plan designates the area to be developed as a planned district with single family residences including the preservation of the natural environment of the site. Staff does not have any objection to the request to add a MHO to the site.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
