

This is only the scope of work for the project. For more information, please contact Procurement at purchasing@stpgov.org.

The Parish, as a function of Tammany Utilities, owns and operates approximately 50 wastewater treatment plants, 40 water wells, over 200 sewage lift stations and miles of water distribution and sewage collection lines. Tammany Utilities, therefore, routinely has the need for submersible pumps.

All products will be delivered to the specified utility warehouses listed below:

- Tammany Utilities Maintenance Warehouse at 4000 Highway 59 in Mandeville, Louisiana
- Cross Gates Maintenance Warehouse at 350 N. Military Road in Slidell, Louisiana.

Prices remain in effect until December 31, 2017. Any delivery or service charge must be included in the bid price. Quantities may vary; minimum orders shall not be required. St. Tammany Parish Government (Parish) reserves the right to award materials in whole, in part and/ or to multiple vendors.
