

This is only the scope of work for the project. For more information, please contact Procurement at [purchasing@stp.gov.org](mailto:purchasing@stp.gov).

The Contractor will provide all labor, equipment, tools, and materials necessary for the demolition of a single span slab span bridge and retaining walls and construction of a precast 3-span slab span bridge and sheet pile retaining walls, and all associated earthwork. The work includes riprap, concrete approach slabs, concrete approach pavement with class II base course and guardrails.
