

**"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stp.gov.org](mailto:purchasing@stp.gov) to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."**

### **Scope of work/Services**

Contractor shall furnish all supervision, labor, materials, supplies, tools, permits, and equipment required to repair damaged pipe, catch basins and headwalls near 608 Del Sol Pass (R01E024; S2-T7-R10) in Madisonville, Louisiana.

In general the drainage improvements will include supply and install catch basins, culverts and embankment. Project also includes the removal of flared end treatment on the end of culverts and existing headwalls, tie in of yard drains and the installation of sod.

All work required shall be done in accordance with Specifications attached hereto.

All signage and barricades shall be provided and all debris shall be removed at no direct pay.

The time period to complete the work shall be thirty (30) calendar days from issuance of the Notice to Proceed (NTP) by the Parish.

A Quote Guarantee **is not** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
