

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stpgov.org to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

Scope of Work/Services

Contractor must provide all adequate and competent labor, equipment, tools, testing, materials and supervision necessary to improve roadway by removing/replacing/repairing concrete panels and curbs in accordance with specifications along Oak Harbor Blvd, Slidell, LA 70458 (R09J090) Section 44-Township 9S- Range 14E.

The scope of work shall include all items within the specifications and in accordance with LA DOTD Standards Specifications for Roads and Bridges.

Contractor will be required to complete the work within thirty (30) calendar days from the date listed to commence work in the Notice to Proceed issued by the Parish.

A Quote Guarantee is required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
