### **Scope of work/Services**

This is a Capital Improvement Project. The work specified in this project will require the Contractor to provide all labor, equipment, tools, and materials necessary to install soil and plant materials, as per the project plans. The Contractor will also be required to replace dead or dying plant materials, as specified in the plans and specifications (Attachment "G").

The plant materials to be used are as follows:

- Lil Gem Magnolia
- Sweet Bay Magnolia
- Mayhaw
- Wax Myrtle
- Yaupon
- Bales of Pine Straw Mulch
- Mycor Tree Saver
- 100 lbs Time Released Fertilizer

The Contractor shall maintain monthly, as needed, for one (1) year beginning thirty (30) days after final acceptance by the Parish.

The maintenance must include but is not limited to the following:

- Bales of Pine Straw Mulch
- Mycor Tree Saver
- 100 lbs Time Released Fertilizer

The time period for completion of the project is thirty (30) calendar days from Notice to Proceed issued by the Parish. The Maintenance term will begin thirty (30) days after final acceptance by the Parish for one (1) year.

All labor, materials, services, supervision, equipment, and supplies required to complete the work, per the specifications, shall be included in the lump sum quote.

A Quote Guarantee **is not** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
