

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stpgov.org to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

2.1 Scope of work/Services

Contractor will repair the drainage by removing and replacing the concrete drive and removing and reworking the catch basin located at 274 Crossgates Blvd. (R08N001), Slidell, LA (S38-T9-R15).

Contractor will remove and replace concrete drive. Panel dimensions are 8' x6' and 10' x 6' for a total of 12 square yards. Drives are to be replaced with 4000 psi Class B concrete with fiber mesh, 6" thick. Work shall include all necessary saw cuts to remove. Drives shall be finished to slope towards the catch basin grate to allow for drainage. All work shall be done in accordance with LA DOTD Standard Specifications for Roads and Bridges, Section 706, 2016 edition.

Contractor shall remove and rework the catch basin lid. The lid shall be 8" thick, traffic rated and constructed of 4000 psi Class B concrete with fiber mesh. Only the cast iron grate and frame are to be re-used. The existing fabricated grate edition is to be disposed of at no direct pay. All work shall be done in accordance with the LA DOTD Standard Specifications for Roads and Bridges, Section 702, 2016 Edition.

Contractor shall provide all signage and barricades and remove all debris at no direct pay.

Time period for completion of the work is thirty (30) days from the issuance of the Notice to Proceed by the Parish.

All supervision, labor, materials, supplies, equipment, tools and permits required to complete the work shall be included in the lump sum quote.

A Quote Guarantee **is not** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
