

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stp.gov.org](mailto:purchasing@stp.gov) to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

Scope of work/Services

The Contractor must provide all labor, equipment, tools, testing, and materials necessary to improve drainage by installing erosion control matting. Work to include, but is not limited to: remove/replace drainage pipes, installing catch basins, slab sodding, bedding material, and remove/replace driveways as specified along Chevreuil St. (R04E048) in Mandeville, Louisiana (Section 44 Township 6S Range 12E).

The time period for completion of the project is **thirty (30) calendar days + calculated rain days per attached specifications** from the Notice to Proceed issued by the Parish.

A Quote Guarantee is required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
