

Holly Dr Drainage

Quote# 20-16-1

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stpgov.org to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

Scope of Work/Services:

Contractor must provide all labor, supplies, equipment, tools, permits and materials to improve drainage by removing existing asphalt and culvert and installing new culvert, check valve devices and asphalt patching and paving. Work shall also include reworking of the catch basin to accept the new culvert. The scope of work shall include all items within the specifications at 107 Holly Dr. (R04C038; S-30-T6-R13) in Abita Springs, Louisiana.

Contractor shall provide all signage and barricades at no direct pay.

Contractor will be required to complete the work within thirty (30) calendar days from the date listed on the Notice to Proceed issued by the Parish.
