

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stpgov.org to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."

The contractor shall provide all materials, fabrication and construction to provide a self-actuating floodgate across Brookter St., Slidell, LA., at the intersection of Voters Rd. that completes the flood protection berm that encompasses the Fox Hollow subdivision.

The scope of work includes, but not limited to excavation of existing soils, removal of pavement, regrading of road profile, new concrete pavement, asphalt mill & overlay, installation of concrete foundation and wingwalls, purchase and installation of a self-actuating floodgate, embankments, and sodding. The full project scope is described in the plans and associated technical specifications.

The Parish reserves the right to add, remove or otherwise modify the above, as determined necessary by the Parish and as allowed by law..
