

**"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stpgov.org](mailto:purchasing@stpgov.org) to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."**

Contractor must provide all labor, materials, supplies, tools, equipment and permits required for the drainage improvements at 210 Charles Ct (R09J024; S33-T9-R14) in Slidell, Louisiana.

The scope of work shall include all items within the specifications at 210 Charles Ct. starting at the bulk head and extending 24' back towards the street.

All signage and barricades shall be provided and all debris shall be removed at no direct pay.

Contractor will be required to complete the work within thirty (30) consecutive calendar from the issuance of the Notice to Proceed issued by the Parish.

A Quote Guarantee **is not** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
