

**"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stp.gov](mailto:purchasing@stp.gov) to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."**

The Contractor must provide all labor, equipment, tools, and materials necessary to improve drainage by installing subsurface drainage along the east side of the roadway. The work will also include the installation of a catch basin and fill sod, as specified, along Lamarque St (R04E121) Section 38 Township 8 Range 11E located in Mandeville, Louisiana.

The time period for completion of the project is thirty (30) calendar days from Notice to Proceed.

A Quote Guarantee **is** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
