

**"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stpgov.org](mailto:purchasing@stpgov.org) to ensure receipt of a full project package, to be listed as a plan holder and to ensure any addenda to the project package are received."**

The Contractor must provide all labor, equipment, tools, testing and materials required necessary for the removal and replacement of bridge structure, installation of drainage structures, concrete and asphalt paving, and earthwork as required per the construction drawings and specifications.

The scope of work shall include all items as listed within the specifications. The Parish reserves the right to add, remove or otherwise modify the above, as determined necessary by the Parish and as allowed by law.
