

**"This is only the scope of work for the project. For more information, interested parties should contact Procurement at [purchasing@stp.gov.org](mailto:purchasing@stp.gov) to ensure receipt of a full bid package, to be listed as a plan holder and to ensure any addenda to the bid package are received."**

Contractor shall provide all supervision, labor, materials, tools, equipment, and permits required to install guard rail along Airport Rd. (R09-C-037), in Slidell, LA 70460 (S-33-T8-R14).

The Contractor shall install 60 linear foot of guard rail with (2) flared ends and 4'10" wood posts along Airport Rd., Slidell, LA (S33-T8\_R14). Rails are to be single thrie beam, and the Contractor shall supply all hardware and connectors to install the post. Work shall include removing any concrete blocks or asphalt needed to install the posts.

All signage and barricades shall be provided, and all debris shall be removed at no direct pay.

All work shall be done in accordance with LA DOTD Standard Specifications for Roads and Bridges, Section 704, 2016 Edition.

The time period to complete the work shall be fourteen (14) calendar days from issuance of the Notice to Proceed (NTP) by the Parish.

All supervision, labor, materials, supplies, equipment, and permits required to complete the work shall be included in the lump sum quote.

A Quote Guarantee **is not** required for this project.

Any work that may be reasonably inferred from the specifications or drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described herein which so applied to this project are covered by a well-known technical meaning or specification shall be deemed to be governed by such recognized standards unless specifically excluded.
