

"This is only the scope of work for the project. For more information, interested parties should contact Procurement at purchasing@stpgov.org to ensure receipt of a full bid package, to be listed as a plan holder and to ensure any addenda to the bid package are received."

The Parish requires a Provider to prepare a Quality Assurance Project Plan and develop a Watershed Management and Restoration Plan for the Abita River Pond and Tammany Hills watershed area. The Provider will perform all necessary QA/QC reviews.

A more detailed description of the scope of work can be found in "Attachment A".
