PARISH PRESIDENT

January 06, 2021

Please find the following addendum to the below mentioned RFP.

Addendum No.: 1

RFP#: 20-17-3

Project Name: Waste Disposal and Recycling Services

RFP Due Date: Wednesday, January 13, 2021

QUESTIONS & ANSWERS:

Question 1: Is the above-referenced RFP for collection via front load dumpsters only?

Answer 1: No, we have one (1) compactor at the Justice Center and all others are front load dumpsters.

Question 2: What is the projected start date of the contract?

Answer 2: We can't give a start date as we are not sure how long it will take to get a contract in place.

Question 3: How many and which dumpsters or compactor is utilized for recycling?

Answer 3: There are no dumpsters or compactor utilized for recycling at this time.

Question 4: What is the size and type of compactor that is located at the Justice Center?

Answer 4: The compactor located at the Justice Center is a 30-yard container with a rear open shoot.
