

## ST. TAMMANY PARISH

PATRICIA P. BRISTER  
PARISH PRESIDENT

**May 10, 2019**

Please find the following addendum to the below mentioned QUOTE.

**Addendum No.:** 1

**Quote#:** 19-10-1

**Project Name:** Airport Rd Guard Rail

**Quote Due Date:** Wednesday, May 15, 2019

### QUESTIONS & ANSWERS:

---

**Question 1:** Can you specify the location on Airport Road that the guardrail is to be installed (intersection, etc.)? The proposal states that the contractor is responsible for any removals of concrete, asphalt, or debris. Without a specific location it is hard to determine the scope of the removal.

**Answer 1:** The guardrail is to be located on the east side of the Airport Road starting from the beginning of the existing guard rail and head South and then turn 90 degrees heading west across the canal along the gravel drive. The gravel drive is located right past the concrete drive leading to the electrical switch gear on the east side of Airport Road before the Bel Aire Subdivision entrance.
