Please find the following addendum to the below mentioned BID.

Addendum No.: 1

Bid#: 300-00-18-19-2

Project Name: Three Rivers Road Widening Phase 2

Bid Due Date: Wednesday, May 30, 2018

GENERAL INFORMATION:

1. Mandatory Pre-Bid Sign in Sheet. (Attached)

QUESTION & ANSWER:

Question 1: For the asphalt paving plans and specification mention using the 2000 Louisiana Standard Specifications for Roads and Bridges and the 2006 Louisiana Standard Specifications for Roads and Bridges. Which specification will apply to this project?

Answer 1: The Specifications applied to this project will be the 2006 Louisiana Standard Specifications for Roads and Bridges.

Question 2: Will PG64-22 or PG70-22 be required in the Level 1 Superpave asphalt?

Answer 2: PG64-22 will be allowed for this project.

Question 3: Plan sheet 7 shows approximately 1,292sf of stone paver, but the bid quantity is 5,400sf. Can you please clarify the limits of paver replacement on these two drives?

Answer 3: The quantity reflects the entirety of the stone paver entrance which is greater than what is shown on the plans. This is in the event that the existing stone pavers cannot be sufficiently matched.
